Re: New Product Available for Order July 25th –
Genie Garage Door Opener LED Light Bulb

The Genie Company is pleased to announce the release of our Garage Door Opener LED Light Bulb! The Genie LED bulb has been specifically designed and tested to avoid the same type of remote interference that standard LED and CFL bulbs produce.

This LED light bulb features:

- Remote radio frequency friendly - no interference with most garage door openers!
- 60W Equivalent, 800 lumens “warm” brightness
- Long life (25,000 hour rated)
- Low energy, 10W power usage = low cost per year
- Shatter and vibration resistant (withstands 5G force!)
- Cold weather tested to -30°C
- Damp location rated

Part Number: 39438R

Model Number: LEDB1-R

Description: Garage Door Opener LED Light Bulb
