Re: New Product Release: Universal Wireless Keypad

The Genie Company is pleased to announce the release of our universal keypad! Control the most popular brands of garage door openers from the last 20+ years. Starting June 29th, this product will be available for order from your source for Genie operator products!

Features & Benefits:

- Control the most popular brands of garage door openers such as LiftMaster®, Chamberlain®, Genie, Overhead Door™, Wayne Dalton®, Linear®, plus more!
- Compatible with most rolling code and fixed code dip switch products since 1993 (working safety sensors required)
- LEDs light and tones sound with each button press
- Minimize inventory needs in the warehouse and on the service truck – one keypad for service needs!
- Control up to 3 garage door openers with a single keypad and PIN number
- Simplified programming and efficient backlighting
- Keypad available in white and is compatible with optional colored keypad lids (sold separately)
