Re: New Feature Launch – Popular Smart Home Platform Compatibility

---

The Genie Company is pleased to announce that its Aladdin Connect® Smart Garage Door Openers and Controllers are now even smarter. Aladdin Connect is now compatible with the most popular smart home platforms including Google Assistant and Amazon Alexa.

The integration of these platforms with Aladdin Connect brings Genie's smart openers to a whole new level. Genie's award-winning Aladdin Connect App already provides many great features that make the lives of homeowners more secure and convenient such as time-based rules and virtual keys that provide access for friends, family or service personnel. With these new integrations, homeowners can now access their Aladdin Connect Smart Garage Door Opener by using the Aladdin Connect Garage Door Opener App, Google Assistant or Amazon Alexa speakers and home automation devices.

Google Assistant and Amazon Alexa features are available NOW for new and existing Aladdin Connect users. The Aladdin Connect App is free to download and to use - available from Google Play® and the Apple® App Store.
