Re: Discontinued: 4-Btn, 390MHz, Keychain Remote, P/N 36292R & 36290R

Please be advised that the 4-Button, 390 MHz, Keychain Transmitter, Models GIT390-4 (36292R) & GIT390-4BL (36290R Blister Packaging) have been phased out and will only be available while supplies last.

Discontinued:
Model GIT390-4 (36292R)
Model GIT390-4BL (36290R)

Please begin using the G3T-BX remote. This remote will support both Intellicode® 1 and 2, as well as offer both 315 & 390 MHz frequency for the optimal performance and maximum flexibility for you and your customers.

Please use:
Model G3T-BX (37218R)
