Re: Scheduled Discontinuation: Series II, Multi-Function Wall Console (PN 37351R)

The Series II wall station part number 37351R and all related service pieces are scheduled to be discontinued from the Genie accessories product lineup.

To be discontinued

Part Number: 37351R

Model Number: GPWC-BX

Description: Series II, Multi-Function Wall Console

The additional service item is 34299R.S.

At this time, there are approximately 2 months of inventory left in stock (at regular usage). To ensure that all customers will have an opportunity to be informed of the discontinuation and make final purchases, there will be an order limit in effect of 10 wall stations per week. After this inventory is depleted, another PIB will be issued and this item will no longer be available.

The current Series II, Multi-Function Wall Console is readily available and can be used in its place with no issue.
