Re: Pre-Programmed Accessories Inside the Box!

Beginning in the following openers on December 1, 2013, any transmitter that comes packed inside these units will now be pre-programmed to the head for your installation convenience.

Any of the following openers with the serial number pre-fix of 13335 or higher will have pre-programmed accessories inside the box:

- Model 4064, TriloG 1500
- Model 3064, TriloG 1200
- Model 4024, IntelliG 1200
- Model 3024, IntelliG 1000
- Model 2564, GPower 900
- Model 2028, ReliaG 850*
- Model 1028, ReliaG 650*

Pre-programmed to the head it is packed-in with
