Re: Physical Inventory: Operator Manufacturing Locations are Closed

Scheduled Physical Inventory: Operator Manufacturing Locations Closed

All operator manufacturing locations will be closed for physical inventory on Thursday, October 13 & Friday, October 14, 2016.

During this time, the operator manufacturing shipping departments will be unable to accommodate any direct shipments to customers.

Please keep this in mind if you place and schedule your orders directly with The Genie Company. Orders placed with your direct door servicing plant and/or your sales center may not be affected.
