

## PRODUCT INFORMATION BULLETIN

**Date:** December 13, 2024  
**Number:** 121324  
**Division:** Genie®  
**Product Family:** Commercial Operators  
**Product Series:** Genie Commercial Line Standard and Heavy-Duty 575V Operators  
**To:** All Genie Professional Line Wholesalers, Dealers and Installers  
**From:** Dan Knechtel – Commercial Product Manager  
**Re:** Discontinuation of ¾ HP option for 575 V operators

---

The Genie Company has discontinued production of ¾ HP motors on 575 V commercial operators. This change will take effect immediately on GCL-J, H, T and GCL-GH, GT models.

The Genie Company will continue to support 575 V commercial operators with ½ HP, 1 HP, and 3 HP (GCL-HX only) options.
