Number: 3874
Division: Genie®
Product Family: Residential Openers
Product Series: Genie Illustrated Parts Book
To: All Genie Professional Line Wholesalers, Dealers and Installers
Re: Genie Parts and Pricing Guide

Please be advised that the Genie Illustrated Parts and Pricing Guide is now available in a PDF. It will be available as a printed document off your collateral ordering site in the next week. The prices in this document are at LIST and a multiplier should be used to calculate customer net pricing.

Ordering:

Please contact your Genie® Sales Representative or search your collateral site for the following part number or description

Part Number: 348532

Description: Parts and Pricing Guide

Updates to this book will be done through PIBs until a revised version of the book is printed.

Please contact your District Sales Manager or Wayne-Dalton® Genie® Sales Representative for further information.
