Re: Inventory Depletion of Transmitter Part Number 36484R, GICTD-1

Please be advised that the 1-Button, 315/390 MHz, Transmitter, Model GICTD-1 (36484R) has been phased out. Remaining inventory has been estimated to last through the end of March.

Discontinued:
Model GICTD-1 (36484R)

Please begin using the G3T-BX remote. This remote will support both Intellicode® 1 and 2, as well as offer both 315 & 390 MHz frequency for the optimal performance and maximum flexibility for you and your customers.

Please use:
Model G3T-BX (37218R)
