An UPDATE message to all Genie Professional Line Wholesalers and Dealers:

In late March, The Genie Company temporarily suspended the sales of some standalone accessory products to pursue compliance with ANSI/UL 4200A-2023 safety standards. These standards were established for all consumer products by the U.S. Consumer Product Safety Commission in response to federal mandates regarding coin cell batteries as ingestion hazards.

We anticipate lifting this suspension and resuming orders for all affected items by July 8, 2024. In the meantime, we will provide similar updates as additional products become available. As we adjust our supply chain to meet these new safety requirements, please be prepared for some initial limitations regarding lead times and order quantities.

As of June 17, 2024, we are accepting orders for the following part numbers with limitations:

Accessory Part#	Description	Accepting Orders	Lead Time	Max Order Qty	# of Orders Accepted per Week
38501R	Model G1T, 1-Button Remote	6/17	Standard	None	-
37218R	Model G3T, 3-Button Remote	6/17	10 days	53	1
37344R	Model GM3T, 3-Button Master Remote	6/17	Standard	None	-
40659S	Model GU4TR2, Universal 4-Button Remote	6/17	Standard	None	-
39142R	Model ALKT1-R, Aladdin Connect Wi-Fi Retrofit Kit (eComm Plain Packaged)	6/17	Standard	None	-
39279R	Model ALDPS-R, Door Position Sensor for Aladdin Connect Wi-Fi Retrofit Kit	6/17	Standard	None	-

We appreciate your patience while The Genie Company has diligently re-engineered products to exceed the highest safety standards.
