# Aladdin Connect® Compatibility

<u>Amazon Alexa Instructions</u>

- Download the Amazon Alexa App

    - You will need your existing Amazon account information (or you will need to create one)

- Log in to the Amazon Alexa App

    - You will be navigated to the home screen of Alexa

- Configure the Wi-Fi of your Alexa device as directed in the Amazon Alexa App

- See following pages for additional instruction

1. On the Alexa home screen, click on the three bars in the upper left corner
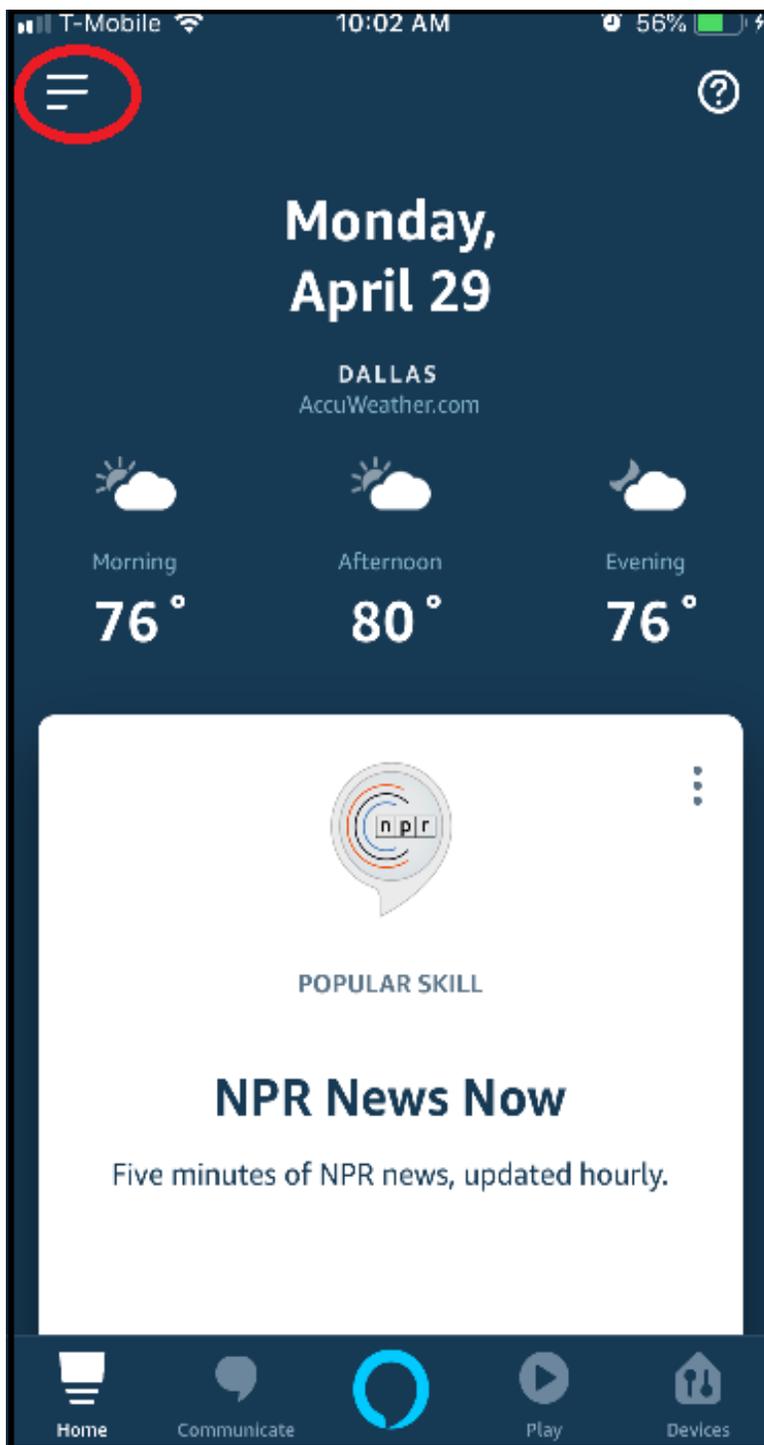

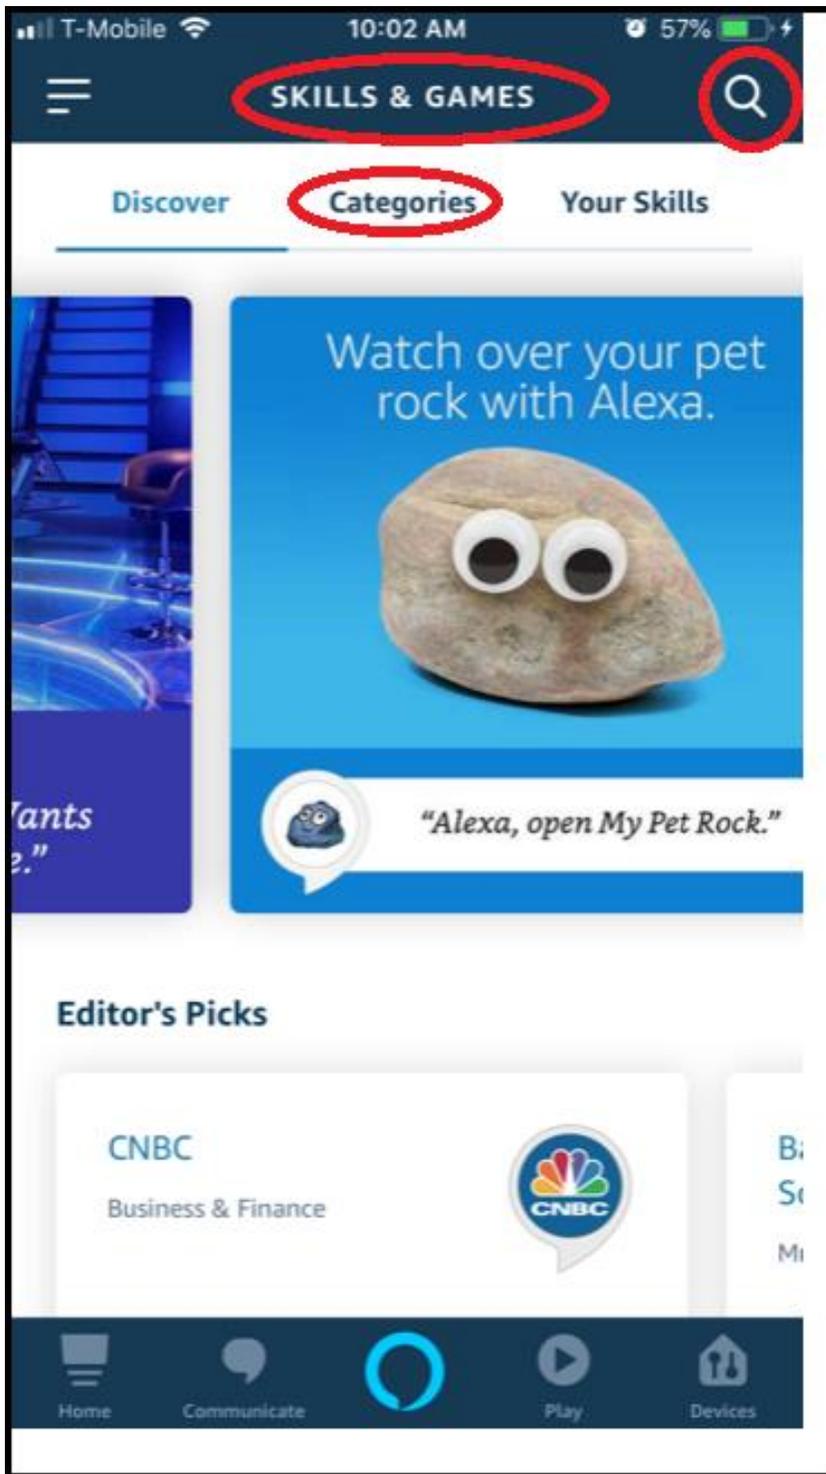

2a. Choose "Skills & Games"
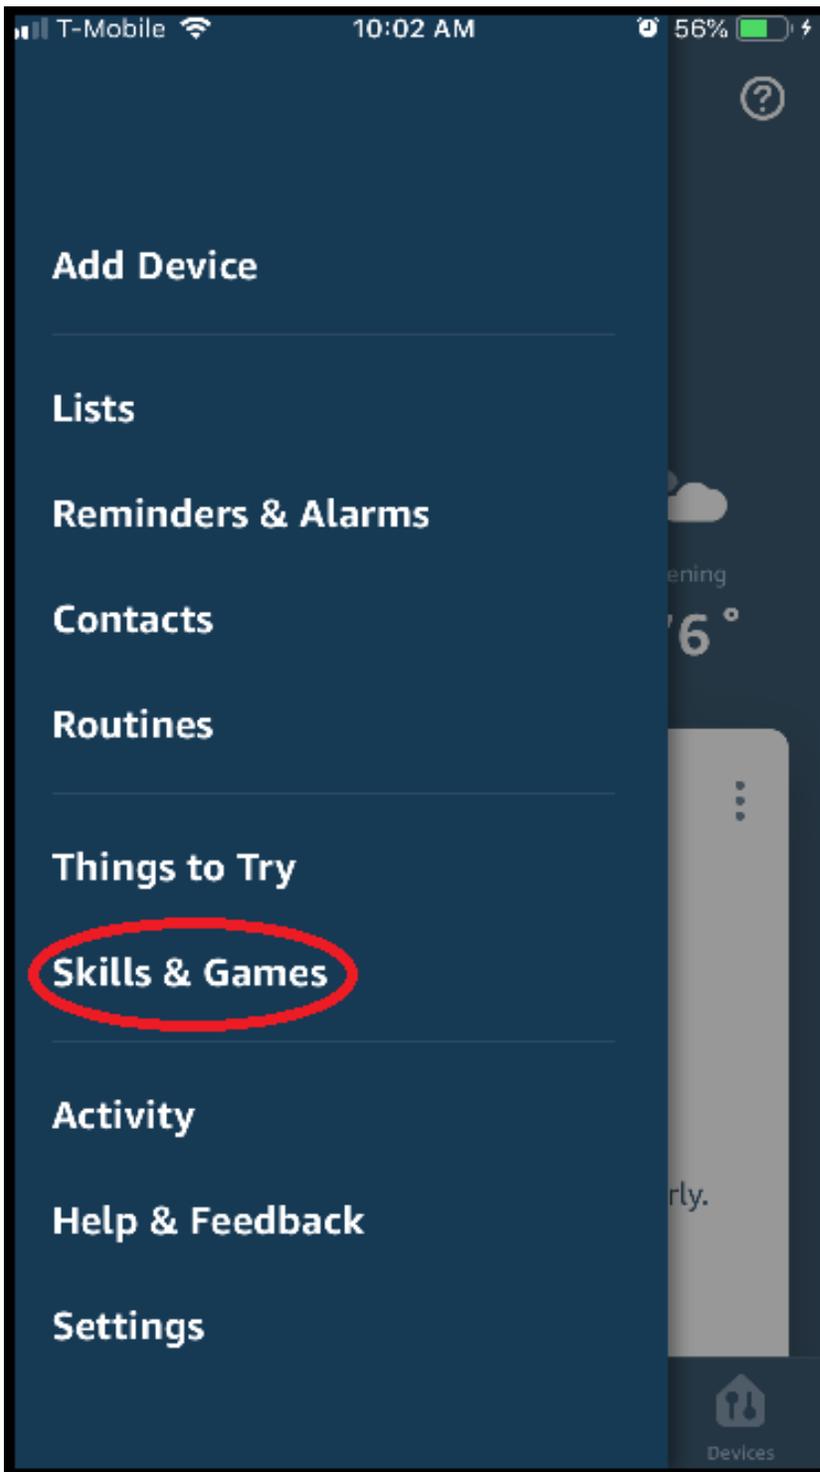

2b. You can also choose "Things to Try" >> "Skills" >> "VIEW SKILLS"

3. Either option in Step 2 will guide you to the following screen. Search in "Categories" under "Skills" or use the search button and look for "Aladdin Connect App".

4. You will see the following screen with the Aladdin Connect® logo. Click on "ENABLE TO USE" to link your Aladdin Connect® account with your Alexa account.
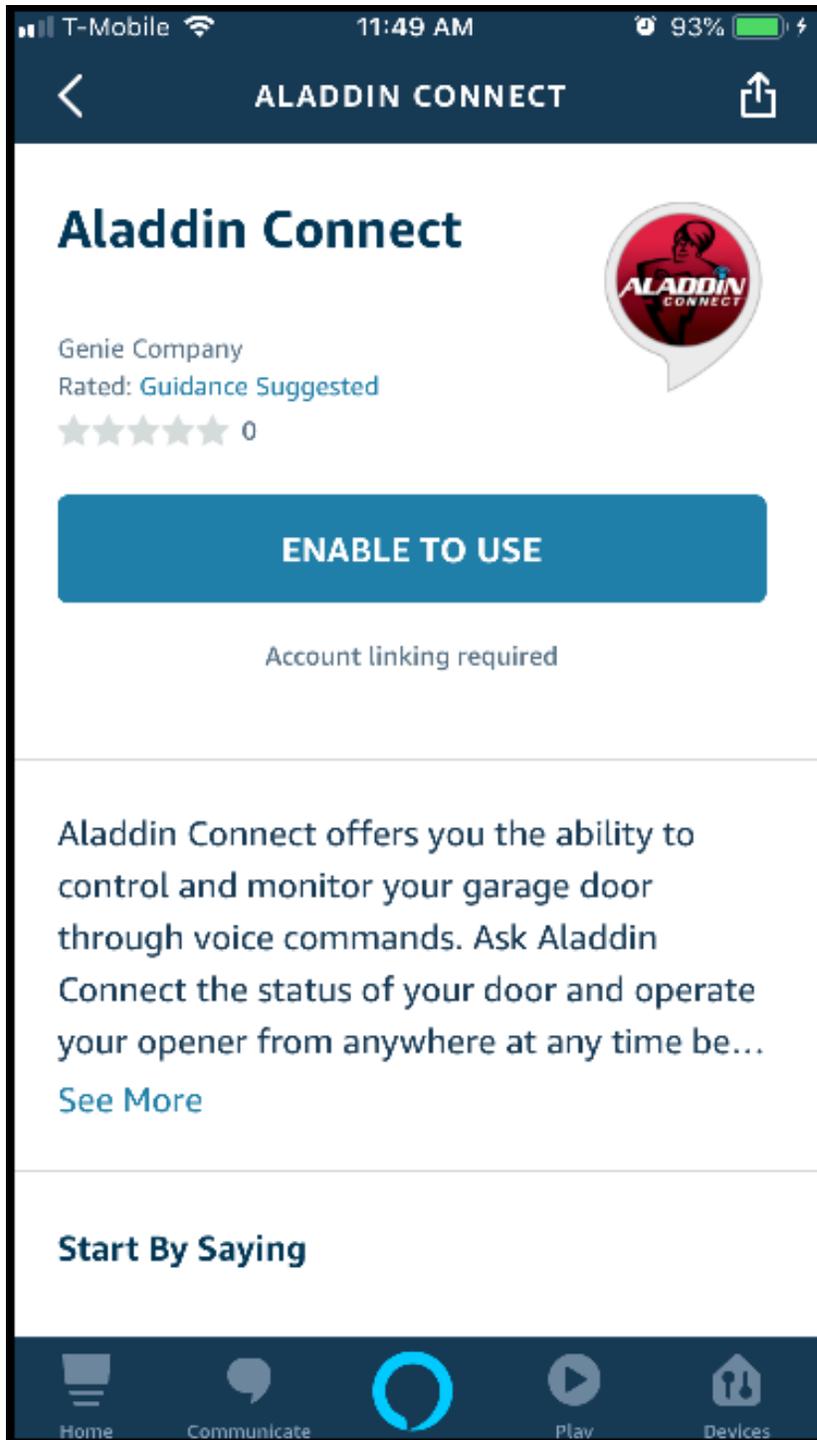

5. You will be navigated to the following screen. Enter your Aladdin Connect® App login credentials here to link your Aladdin Connect account to your Alexa account.
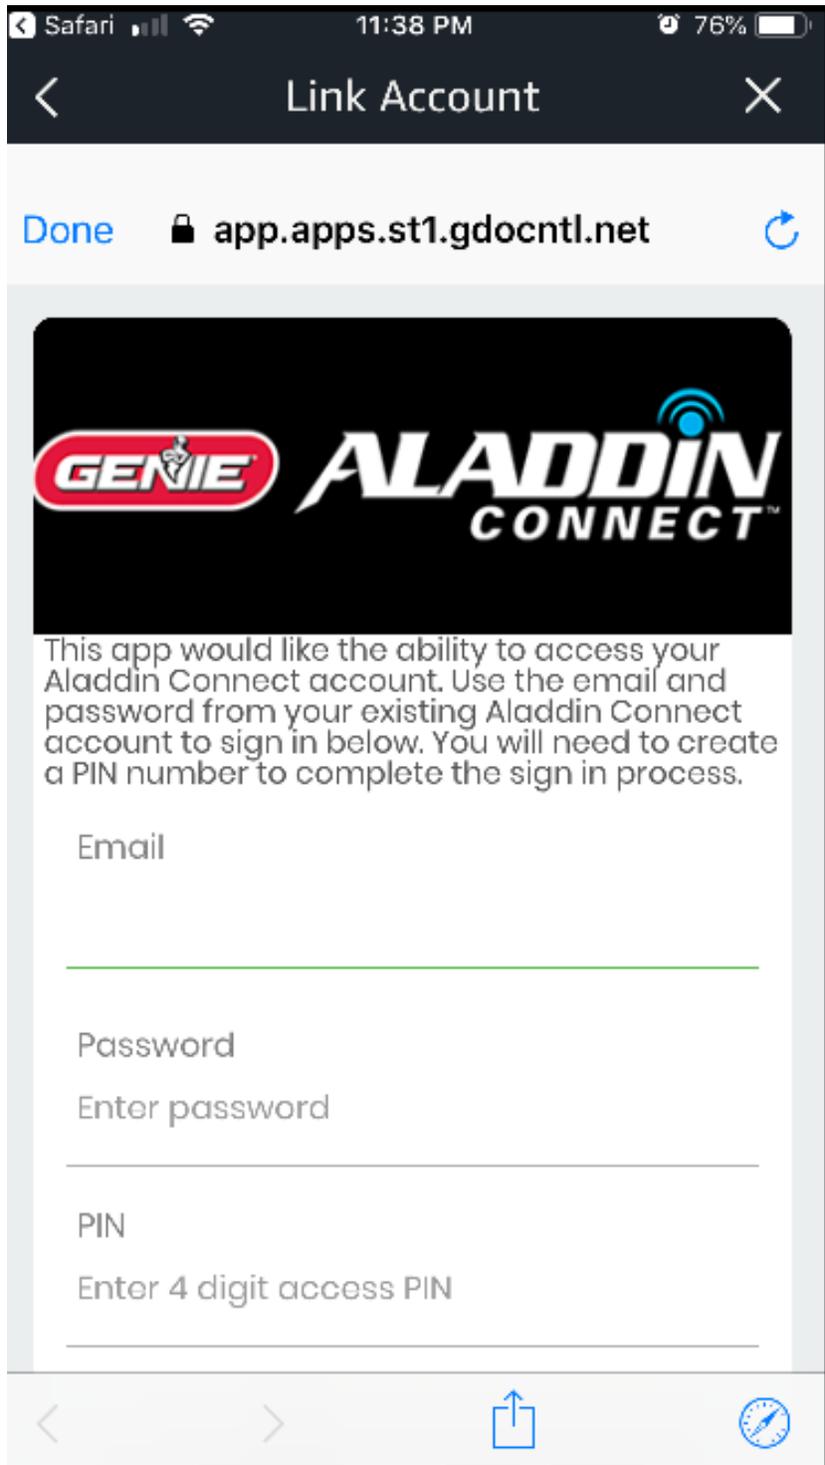

6. Enter your Aladdin Connect App® login credentials here to link your Aladdin Connect account to your Alexa account.

   o Enter a PIN and click "Login"

     ▪ You will be able to remove this PIN later if you choose, however, by disabling your PIN, understand that you are deactivating a feature meant to provide an additional level of security.

7. After you press "Login", you will see the following screen. Click "Done" in the upper left-hand corner.
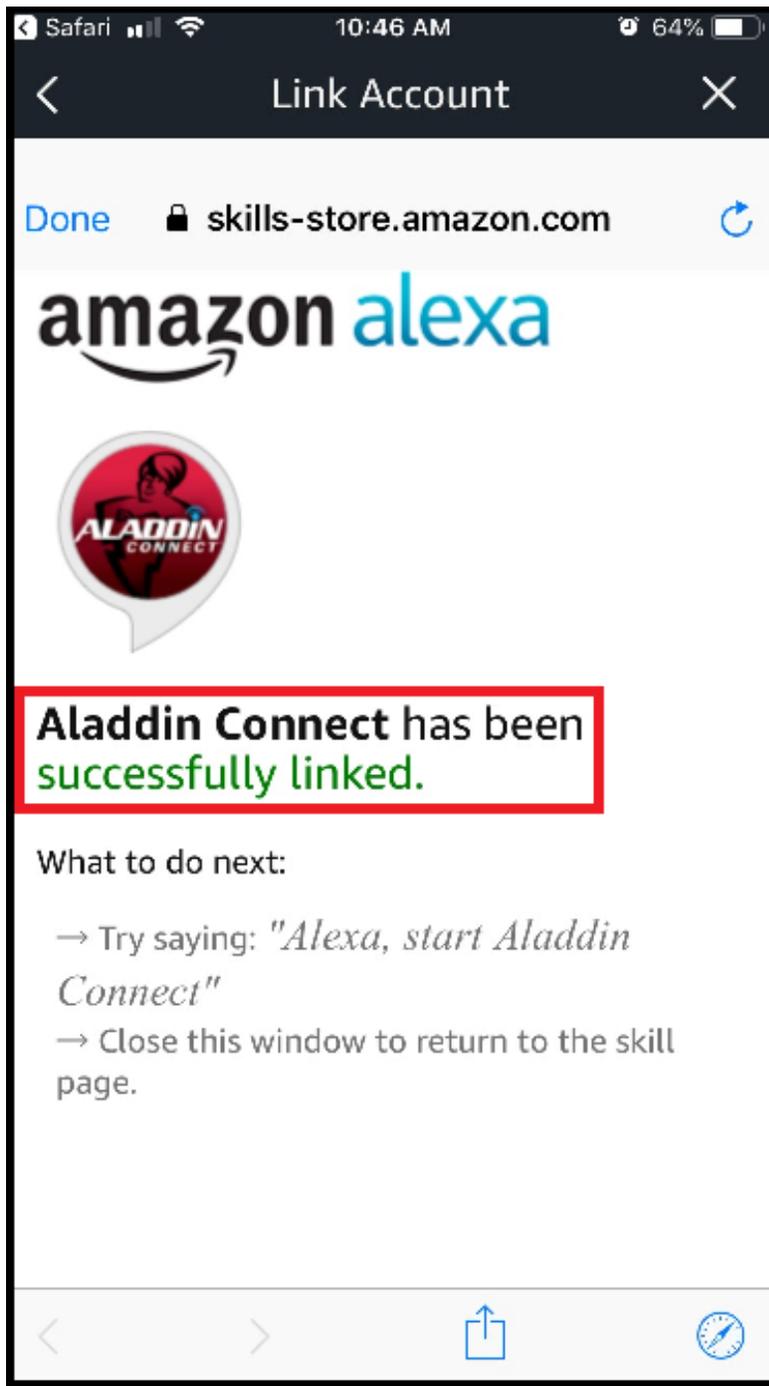

8. At this time, your Aladdin Connect® account is linked to your Alexa account. There are instructions on the Skill screen on how to talk with Aladdin Connect®.
   - For example, you can say
     - "Alexa, ask Aladdin Connect to open my door"
     - "Alexa, ask Aladdin Connect if my door is open"
   - Going forward, you can ask questions from Aladdin Connect®.
